

LUBRICATION SPECIFICATION SHEET

Document Ref: LS-07 | Rotating Equipment Lubricants

Equipment Class	Lubricant Grade	Interval
Feed water pumps	ISO VG 68	1500 hrs
Cooling water pumps	ISO VG 68 grease	2000 hrs
Fans	ISO VG 46	3000 hrs

Feed water pumps (including P-204) use ISO VG 68 oil, relubrication interval 1500 operating hours. Do not exceed fill line. Lubrication is an interim measure only and does not extend bearing life where mechanical wear is present.
